

An Invitation to Participate in

4th Fazza Para Archery World Ranking Tournament- Dubai 2018.

Dubai 02-08 March 2018

Dear World Archery members /NPCs/ dear friends: Please forward this invitation to the relevant personnel in regard to Disability Archery within your country.

To whom it may concern:

The Dubai Club for People of Determination is organizing the **4th Fazza Para Archery World Ranking Tournament- Dubai 2018.**

Preliminary & Final Registration:-

All entries must be completed using the World Archery WAREOS system.

All entries, accommodation reservations, transport needs, flight arrival/departure information and visa invitation letter requests are to be completed using WAREOS.

The World Archery Online Registration System (WAREOS): <http://register.worldarchery.org> has been updated to handle the entire registration process for this event. No entry forms, hotel reservations or transport forms will be accepted as all information is to be entered into WAREOS.

In order to use WAREOS, please login on <http://register.worldarchery.org> with your Username and Password assigned by World Archery. After entering WAREOS, please find the event from the list you wish to register your athletes. Select/press the "Entries" button to see the list of categories in the event. Select/press the "category" to enter the athlete and official numbers/details participating for that event. A "WAREOS User Manual" can be downloaded in PDF format (English) using the same website link.

For any questions regarding the WAREOS, please contact the World Archery office, Mr. JK LEE (jkleee@archery.org).

A maximum number of **3 athletes per country** are allowed to be registered into each category of the event. Preliminary entries should be completed using WAREOS.

Chairman

Thani Juma Berregad

United Arab Emirates

The United Arab Emirates consists of seven emirates: Abu Dhabi, Dubai, Sharjah, Ras Al Khaimah, Ajman, Umm Al Quwain and Fujairah. Four-fifths of the UAE is desert but has contrasting landscapes—from the towering red dunes of the Liwa to the rich palm-filled Oasis of Al Ain, from the precipitous Hajar Mountains to the more fertile stretches of its coastal plains.

Though small in size (similar to the size of Scotland), the UAE has become an important player in regional and international affairs. In 1971, the late President Sheikh Zayed bin Sultan Al Nahyan unified the small, underdeveloped states into a federation—the only one in the Arab world. With his visionary leadership, oil wealth was used to develop the UAE into one of the world's most open and successful economies.

In 2004, His Highness Sheikh Khalifa bin Zayed Al Nahyan became the President and has since continued to strive towards an ambitious vision for the UAE.

DUBAI

Dubai is located on the Eastern coast of the Arabian Peninsula, in the south west corner of the Arabian Gulf. It is extremely well known for its warm hospitality and rich cultural heritage, and the Emirati people are welcoming and generous in their approach to visitors. With year round sunshine, intriguing deserts, beautiful beaches, luxurious hotels and shopping malls, fascinating heritage attractions and a thriving business community, Dubai receives millions of leisure and business visitors each year from around the world.

The local currency is the dirham, which is pegged at AED (3.67) to (1.0) US dollar.

Dubai is tolerant and cosmopolitan and all visitors are welcome. However, Islam is a way of life in the city, and therefore tourists should adopt a certain level of cultural and religious sensitivity for the duration of their stay.

Dubai Rulers: Since 1833 the reigning Al Maktoum family have ruled Dubai. Under their wise and progressive leadership Dubai has prospered and it is now the business and tourism hub for a region.

Dubai History: Saruq Al-Hadid site is considered one of the most important archaeological discoveries in Dubai and the region, as it offers much of the UAE's old past, especially during the Iron and Bronze Ages which confirms that the UAE civilization extends to 5 thousand years.

Dubai Economy: The past few decades have witnessed incredible growth throughout all sectors of the Dubai economy. The emirate's government is constantly working to improve its commercial transparency and introduce dynamic regulations that aid the formation of small and medium enterprises. Dubai's economy is no longer reliant on oil, but is more diversified, relying heavily on trade, services and finance sectors. With its central geographic location between Asian and European markets, Dubai has worked hard to establish itself as an integral part of the global trade mechanism. Its central location has also allowed Dubai to become a popular and accessible tourist destination.
